In the event of having to go to online schooling, the children will be able to take home their bag of art supplies for home use. You still have the option of purchasing the supplies yourself. They will need to be in a drawstring bag that can easily hang in their cubbies or on a hook in their classroom. The supplies will be brought from the classroom to the art room on their art days. Mrs. Carlstrom has a list of those already signed up for the art kit. Anyone else wishing to purchase the art kit can contact the school or kcarlstrom@harmonychristianschool.com. We need to purchase the supplies in time for the kits to be put together. Please **order by 7/20**. They can be picked up just prior to school opening. **You can send a check to HCS (marked art kit).**
